

# PALLISIDE ACCESSORIES

## COLOURED DOWNPIPES

Maintaining your home is even easier now that the Pallside weatherboards range includes colour matched 80mm round downpipes.

In addition to the downpipes (which come in 3m lengths), 95 degree socket bends and downpipe clips are also available and can be added to you houselot order of Pallside. This means an even smarter look and one less part of your homes exterior that will require a paint brush!

For further information, please contact Dynex Extrusions...

Available in Calico, Tea, Riverstone, Sandstone and Slate.
