

Clearfix[®] INDUSTRIAL

AMPELite MANUFACTURERS OF WORLD CLASS FIBREGLASS SHEETING NOW INTRODUCES A WORLD CLASS FASTENER
CLEARFIX[®] INDUSTRIAL

WHY IT'S THE BEST!

- No pre drilling required
- Unique wing design cuts its own thermal expansion hole eliminating the need for a second drill
- Self centres during installation
- Installed in half the time of conventional fasteners
- Comes pre-assembled with 32mm weather seal
- Modified drill point has been designed for fixing applications into both steel and timber purlins

**SAVES TIME
SAVES MONEY**

**CLEARFIX[®] INDUSTRIAL IS YOUR INBUILT
GUARANTEE AGAINST INCORRECT FIXING**

ISO 9001 NATA CERTIFIED IN ACCORDANCE
WITH AS 3566.1 2002 SPECIFICATIONS
